Overnight Stay:

The School does not offer formal flexi-boarding as an option, however, there may be times when parents ask for *occasional* overnight care for their children. This must be agreed in advance and not be a regular nor extended occurrence. For such overnight stays the following charge will be levied, unless in the School's opinion the overnight stay is as the result of a School commitment, in which case no charge may be levied –:

Senior Day £51 per night	Junior Day £43 per night	P3/4 Day £43 per night
---------------------------------	---------------------------------	-------------------------------

Parents are strongly advised to check first with Houses or the Bursar before assuming the status of any such charge.

What the fees include. Unless set out in the Schedule of Fees or notified to you at any time, the fees include the costs we incur in the usual course of educating your child and, if applicable, facilitating our boarding provision. Boarding and Day fees include all expenses for tuition, meals, use of standard textbooks and standard school games. Boarding fees include lodging, pastoral care, and laundry of school uniform, necessary casual clothes, bed linen but not including dry cleaning or specialist laundry cleaning. The Parent/s shall pay and/or reimburse to Strathallan such additional expenses in respect of the Pupil's optional extras (for example the cost of specialist books, additional stationery, non-curricular school trips and special events, travel, school uniform, individual sports or activities equipment and personal expenses) as may be requested by and agreed with Strathallan. In the case of a foreseeable supplemental charge that is likely to be in excess of £50, the parent/s will be contacted for their approval. The Pupil is for these matters the agent of the Parent/s. Deliberate damage caused to property by the Pupil, other than fair wear and tear, may be invoiced as an additional charge.

What the fees do not include: supplemental/additional charges. We refer to any items charged to you in addition to the fees as supplemental charges/'extras'. By way of example, any extra-curricular activities (such as individual music lessons, trips and visits) in which you agree in advance your child may participate and which need to be paid for, will be supplemental to items met by the fees and charged for accordingly. In addition, all public examination fees shall be charged as supplemental charges. Additional charges incurred by the School in providing for the special educational needs of your child may also be charged as supplemental to the fees.
