# Academic

Scholarships are awarded both to recognise outstanding academic ability and develop future academic potential through a structured scholarship programme for the duration of a scholar's time at the school.

Scholarships not only lift the performance of scholars, but through the academic leadership we expect of scholars, also lifts the outcomes for all pupils in the school.

Successful candidates for scholarship will demonstrate a high level of academic ability, the potential to develop this further, the attitude to learning and intellectual challenge commensurate with the highest academic standards relative to their age, and a natural interest and passion for the area of their academic study.

Successful candidates will be expected to embrace the academic opportunities that Strathallan School offers by engaging fully with the following within its Scholarship Programme:

- **Our series of Humanities and STEM-based lectures, seminars and workshops;**
- **Participation in the annual Academic Essay Competition;**
- **Where appropriate, ‘mentoring’ of younger Academic Scholars;**
- **Academic outreach work of specific academic departments;**
- **Entry into external academic competitions, as appropriate;**
- **Regular meetings with the Scholars’ Coordinator to discuss individual academic progress and targets;**
- **Attendance at the annual Scholars’ Dinner after the annual Scholars’ Lecture by a distinguished visiting speaker.**

Scholarships are awarded on the basis of competitive examination to candidates entering the School; 6th Form (S5/Year 12)  
Candidates should normally be sitting GCSEs or National 5s in the summer of 2020/2021. For external candidates, all examinations will be virtual.

Arrangements for entry in September 2021 are as follows:

Candidates will be asked to undertake an online cognitive abilities assessment lasting approximately 90 minutes. Following this assessment, candidates will be asked to complete two assessment papers - the subjects are optional but they should choose 2 subjects that they are planning to study for their A Levels.

In addition to the assessments, candidates will be interviewed by our Deputy Head Academic, Mr Sean Hamill and our Academic Scholarship Coordinator, Dr Isla Woodman.

Candidates are encouraged to bring with them any portfolios, prize certificates and other evidence of academic success to their interview; this is however, not compulsory.

The academic scholarships programme is tailored to individual needs and features...

**Lectures and Seminars** from Humanities and STEM-based external speakers.

**Internal seminars and societies** student-led and capitalising on Strathallan staff expertise. These include Biology Society, Greek Club, History and English Group, Medical Ethics Group, PPE Society, Psychology Society, Robotics Group and STEM Club.

**Extension Days, Activities and Visits** including the Strathallan 'Build-a-Plane' Project; CSI (Crime Scene Investigation); and visits to various industries and universities.

**Participation** in Olympiads, Competitions and additional events including public speaking, debating and quizzes.

**Student mentoring:** Sixth Form Scholars mentoring younger Scholars in academic leadership and community outreach.

**Tracking and Reporting:** ASC (Academic Scholarship Coordinator) and STEM lead meet with students twice per year to monitor extension engagement and design bespoke programmes for students, particularly important in advance of UCAS. applications.

**MAADSS Week:** *Music, Academic, Arts, Drama and Sports Scholars' workshops focused on a particular theme.*

*2018: Commemorating WWI; 2019: Celebrating Space; 2020/21: 100 Years at Forgandenny.*

# Art

Awards are made on the basis of competitive examination and virtual assessment.

A small and carefully selected digital portfolio of work should be submitted to Mr Glancy. (PDF or PowerPoint presentation not exceeding 10MB). Any three dimensional work can be photographed and included in the digital portfolio.

This should be submitted by **Friday 6th November 2020**. This portfolio should be accompanied by a covering letter from the pupil's present Art teacher.

All scholarship candidates will have an online interview with Mr Glancy to discuss the scholarship and their portfolio in further detail.

The art scholarships programme is tailored to individual needs and features...

**MAADSS** day project in which all the scholars will work collaboratively on a project. The project portrays a different theme every year.

**Work featured** in the annual exhibition of GCSE and A Level art work.

**Attendances** at gallery visits, artist talks and specialised workshops throughout the year

# Music

Music Scholarships at Strathallan School are made on the basis of a virtual internal assessment by members of the Music department.

Upon the successful awarding of a Music Scholarship a pupil would be expected to:

- **Prioritise attendance at all appropriate ensembles. This will be in consultation with the Director of Music;**
- **Sing as part of the School Choir;**
- **Perform in all concerts appropriate to their instrument;**
- **Meet with the Director of Music annually to discuss musical progress and personal targets;**
- **Be actively involved in the musical outreach work of the department.**

A prospective candidate is expected to be able to perform confidently and fluently to the following minimum standard\*:

*Age 16+: Grade VII*

\*Please note that the corresponding examination need not have been sat.

All prospective Scholars are asked to virtually audition by preparing

- two contrasting pieces on their first instrument
- a third piece on their second instrument (if applicable)

Photocopies of both the pupil part and piano accompaniment should be emailed or posted to the School by **Friday 6th November 2020** in advance of audition. Candidates are also encouraged to send examples of their original compositions.

In addition, Candidates will be sent aural and sight-reading tests appropriate to their practical ability and undertake a short virtual interview with the Music teaching staff.

The music scholarships programme is tailored to individual needs and features...

**Workshops** with industry professionals. Recent workshops include a song writing session with Eurovision's SuRie and a masterclass with the Maxwell String Quartet.

**Appearances** at various Scottish music festivals.

**Protected practice times** with an accompanist.

# Performing Arts

Performing Arts Scholarships at Strathallan School are made on the basis of a virtual assessment by members of the Expressive Arts department.

Upon the successful awarding of a Performing Arts Scholarship a pupil would be expected to;

- **Study towards an annual LAMDA qualification**
- **Take an active part in the school's Dance programme**
- **Meet with staff annually to discuss progress and personal targets**
- **Be actively involved in the outreach work of the school**

A Scholar is expected to show a willingness to develop all areas of Performing Arts (Acting, Singing and Dance), but will not necessarily be a specialist in all.

Perspective candidates should show evidence of experience and progression in at least one of the disciplines. This includes, but is not limited to; Dance Awards, LAMDA certificates and Music Performance Awards.

All prospective scholars are asked to virtually audition by preparing;

A classical drama piece

A contemporary drama piece (post 2000)

**To be between  
2 & 4 minutes**

Read from an unseen script (This will be sent out before the audition deadline).

One prepared dance piece to be videoed and submitted to the Expressive Arts teaching staff.

In addition to this, candidates will also undertake a short virtual interview with the Expressive Arts teaching staff.

# Pipe Band

Piping Scholarships at Strathallan School are made on the basis of a virtual assessment by members of the Music department.

Upon the successful awarding of a Pipe Band Scholarship a pupil would be expected to:

- **Prioritise attendance at all appropriate ensembles. This will be in consultation with the Director of Music and Head of Piping;**
- **Perform in all concerts appropriate to their instrument;**
- **Meet with the Director of Music and Head of Piping annually to discuss musical progress and personal targets;**
- **Be actively involved in the musical outreach work of the department.**

All prospective Scholars are asked to audition by preparing

- two contrasting pieces on their first instrument
- a third piece on their second instrument. (if applicable)

Pipers looking to gain a scholarship should virtually present a March, Strathspey and Reel set, as well as another style, preferably Piobaireachd.

Candidates are also encouraged to send examples of their original compositions.

In addition, Candidates will be given aural and sight-reading tests appropriate to their practical ability and undertake a short virtual interview with the Music teaching staff.

# Sport

Strathallan Sports Scholarships are available for boys and girls who demonstrate outstanding sporting ability, talent and potential to contribute strongly to sport at Strathallan and beyond. Applicants may select at least 2 sporting activities.

We are looking for:

- **Outstanding natural sporting ability**
- **Achievement in chosen sport(s)**
- **Potential: just as important as current level of performance**
- **Motivation to train and perform**
- **The ability to work as part of teams or squads**
- **Leadership potential**
- **The ability to inspire peers to higher levels of performance**
- **The desire and drive to excel in sport beyond Strathallan**
- **The ability to manage academic and other school commitments**

**Candidates will need to fill out an application form** and attend an assessment day. References will also be required to be submitted with your application from the candidate's current school and coaches. Detail of honours, awards and achievements, current district/regional or national teams, targets and intended goals plus any supporting information should be included in the application.

### **Expectations**

It is anticipated that award holders will display the potential and motivation to achieve national honours in their age groups and beyond. Award holders will be expected to make significant contribution to Strathallan sport and to show commitment in their specialist sport beyond school term times.

### **Nature of Assessment Days**

These sessions are designed to allow candidates to demonstrate the best of their abilities in a challenging and competitive environment. The day is split into different categories:

- Assessment of fundamental movement and fitness
- Assessment of fundamental skills and abilities
- Assessment of specific sports
- Interview

The sports scholarships programme is tailored to individual needs and features...

**Specialised coaching** and weekly one-to-one Strength and conditioning sessions in our state of the art gym with the School's own strength and conditioning coach. This is all organised to fit around studies.

**Mentoring sessions** with staff to review goals, aspirations and assessing current performance. Mentors will also help achieve a balance between school commitments and sport. This also includes video analysis sessions.

**Organised talks** and seminars on topics like nutrition, careers in sport and the psychology of sport.

**Developed relationships** with local clubs, professional clubs, constituent bodies and National Governing Bodies to offer clear pathways for development and excellence for our sports scholars.
