Academic

Scholarships are awarded both to recognise outstanding academic ability and develop future academic potential through a structured scholarship programme for the duration of a scholar's time at the school.

Scholarships not only lift the performance of scholars but, through the academic leadership we expect of scholars, also lift the outcomes for all pupils in the school.

Successful candidates for scholarship will demonstrate a high level of academic ability, the potential to develop this further, the attitude to learning and intellectual challenge commensurate with the highest academic standards relative to their age, and a natural interest and passion for the area of their academic study.

Successful candidates will be expected to embrace the academic opportunities that Strathallan School offers by engaging fully with the following within its Scholarship Programme:

- **Our series of Humanities and STEM-based lectures, seminars and workshops;**
- **Participation in the annual Academic Essay Competition;**
- **Where appropriate, 'mentoring' of younger Academic Scholars;**
- **Academic outreach work of specific academic departments;**
- **Entry into external academic competitions, as appropriate;**
- **Regular meetings with the Scholars' Coordinator to discuss individual academic progress and targets;**
- **Attendance at the annual Scholars' Dinner after the annual Scholars' Lecture by a distinguished visiting speaker.**

Scholarships are awarded on the basis of competitive examination to **external candidates** looking to enter 6th form. 6th Form (\$5/ Year 12) Candidates should normally be sitting GCSEs or National 5s in the summer of 2024.

Arrangements for entry in September 2024 are as follows:

Candidates will be asked to undertake an online cognitive abilities assessment lasting approximately 90 minutes. Following this assessment, candidates will be asked to complete two assessment papers - the subjects are optional but they should choose 2 subjects that they are planning to study for their A Levels.

In addition to the assessments, candidates will be interviewed by our Head of Strathallan Worldwide and our Academic Scholarship Coordinator.

Candidates are encouraged to bring with them any portfolios, prize certificates and other evidence of academic success to their interview; this is however not compulsory.

The academic scholarships programme is tailored to individual needs and features...

Lectures and Seminars from Humanities and STEM-based external speakers.

Internal seminars and societies student-led and capitalising on Strathallan staff expertise. These include, but are not limited to Discussion Groups, Biology Society, Greek Club, Medical Ethics Group, Psychology Society, Robotics, Scottish Studies and STEM Club.

Extension Days, Activities and Visits including the Formula Green Project; CSI (Crime Scene Investigation); and visits to various industries and universities.

Participation in Olympiads, competitions and additional events including public speaking, debating and quizzes.

Student mentoring: Sixth Form Scholars mentoring younger Scholars in academic leadership and community outreach.

Tracking and Reporting: ASC (Academic Scholarship Coordinator) and STEM lead meet with students twice per year to monitor extension engagement and design bespoke programmes for students, particularly important in advance of UCAS applications.

MAADSS Week: Music, Academic, Arts, Drama and Sports Scholars' workshops focused on a particular theme.

2018: Commemorating WWI; 2019: Celebrating Space; 2020/21: 100 Years at Forgandenny.

Art

Awards are made on the basis of competitive examination and virtual assessment.

A small and carefully selected digital portfolio of work should be submitted to the Head of Art, Mr Frank Glancy. (PDF or PowerPoint presentation not exceeding IOMB). Any three dimensional work can be photographed and included in the digital portfolio.

This should be submitted by **Wednesday 18th October 2023**. This portfolio should be accompanied by a covering letter from the pupil's present Art teacher.

Successful digital portfolio candidates will then be asked to have an interview with the Head of Art to discuss the scholarship and their portfolio in further detail.

The art scholarships programme is tailored to individual needs and features...

MAADSS day project in which all the scholars will work collaboratively on a project. The project portrays a different theme every year.

Work featured in the annual exhibition of GCSE and A Level art work.

Attendances at gallery visits, artist talks and specialised workshops throughout the year

Music

Outstanding music education in a safe and supportive environment

Strathallan music department is at the heart of our school and community. Music at Strathallan is taught with enthusiasm and in a culture of encouragement and the Scholars Programme is central to the life of the department.

Upon the successful awarding of a Music Scholarship a pupil would be expected to:

- **Participate fully in the musical life of the school**
- **Prioritise attendance at all appropriate ensembles. This will be in consultation with the Director of Music;**
- **Sing as part of the School Choir;**
- **Perform in all concerts appropriate to their instrument;**
- **Meet with the Director of Music annually to discuss musical progress and personal targets;**
- **Maintain high standard of musical excellence**
- **Be actively involved in the musical outreach work of the department.**

A prospective candidate is expected to be able to perform confidently and fluently to the following minimum standard*:

Age 16+: Grade VII

We look for potential as well as high achievement and musicality.

*Please note that the corresponding examination need not have been sat.

All prospective Scholars are asked to audition by preparing

- two contrasting pieces on their first instrument
- a third piece on their second instrument (if applicable)

Photocopies of both the pupil part and piano accompaniment should be emailed or posted to the School in advance of audition.

In addition, Candidates will be sent aural and sight-reading tests appropriate to their practical ability and undertake a short interview with the Music teaching staff.

Strathallan School attracts and nurtures outstanding Music Scholars. Scholars will perform in Scholars Recitals and Senior Showcases every term. Scholars will have a key role in all of our concerts and events and take a leadership role in the SPS Music Mentoring Week and in the life of the Music Department. They will also get the opportunity to take part in workshops, trips and outside engagements.

Performing Arts

Performing Arts Scholarships at Strathallan School are made on the basis of an assessment by members of the Expressive Arts department.

Upon the successful awarding of a Performing Arts Scholarship a pupil would be expected to;

- **Take an active role in all Performing Arts opportunities appropriate to their age**
- **Sing as part of the School Choir**
- **Study towards an annual LAMDA qualification**
- **Take an active part in the school's Dance programme**
- **Meet with staff annually to discuss progress and personal targets**
- **Be actively involved in the outreach work of the school**

A Scholar is expected to show a willingness to develop all areas of Performing Arts (Acting, Singing and Dance), but will not necessarily be a specialist in all.

Drama

Perspective candidates should show evidence of experience and progression in at least one of the disciplines. This includes, but is not limited to; Dance Awards, LAMDA certificates and Music Performance Awards.

All prospective scholars will be asked to prepare two out of the three following disciplines;

- Dance
- Drama
- Music (Singing)

In addition to this, candidates will also undertake a short interview with the Expressive Arts teaching staff.

Drama Scholarships at Strathallan School are made on the basis of an assessment by members of the Expressive Arts department.

All prospective scholars are asked to audition by preparing two monologues;

A classical drama piece

A contemporary drama piece (post 2000)

**To be between 2
& 4 minutes each**

They may be asked to read from an unseen script during the audition.

In addition to this, candidates will also undertake a short interview with the Expressive Arts teaching staff.

Upon the successful awarding of a Drana Scholarship a pupil would be expected to:

- **Prioritise attendance for all rehearsals. This will be in consultation with the Head of Drama.**
- **Perform/crew in all school productions;**
- **Meet with the Head of Drama annually to discuss development and personal targets;**
- **Be actively involved in the Drama and Expressive Arts outreach work of the department.**

Pipe Band

Piping and drumming Scholarships at Strathallan School are made on the basis of a live assessment by members of the Department of Traditional Music and Scottish Culture.

Upon the successful awarding of a Pipe Band Scholarship a pupil will:

- Have a traditional weekly lesson, as well as a one to one session with the Director of Traditional Music and Scottish Culture. This will focus on preparing the pupil for the further study of traditional music, performing at the highest level in solo and pipe band settings and discovering different styles of music.
- Have access to a wealth of resources including rare collections of music.
- Have access to the piping and drumming building throughout the week for individual practice.
- Prioritise all appropriate ensemble in consultation with the Director of Traditional Music and Scottish Culture.
- Perform in concerts as requested by the Director of Traditional Music and Scottish Culture.
- Be actively involved in the outreach work of the department.

All prospective Scholars are asked to audition by preparing:

Three contrasting sets on their first instrument including a March, Strathspey and Reel and, if possible, the ground of a piobaireachd.

(If a pupil has not begun their study of piobaireachd, this should not stop them applying).

Candidates are also encouraged to send examples of their original compositions and will be given aural and sight reading tests appropriate to their practical ability. This will be followed by a short interview with the Director of Traditional Music and Scottish Culture.

Sport

Strathallan Sports Scholarships are available for boys and girls who demonstrate outstanding sporting ability, talent and potential to contribute strongly to sport at Strathallan and beyond. Applicants may select at least 2 sporting activities.

We are looking for candidates who:

- **Demonstrate natural sporting ability**
- **Show strong leadership qualities or leadership potential**
- **Are motivated to train and perform and are tactically and technically aware in their chosen sport/s**
- **Are ambitious and driven in pursuit of their goals**
- **Display potential and the personality to success and show the desire and drive to excel in sport beyond Strathallan**
- **The ability to inspire peers to higher levels of performance**

Candidates will need to fill out an application form and attend an assessment day. References will also be required to be submitted with your application from the candidate's current school and coaches. Detail of honours, awards and achievements, current district/regional or national teams, targets and intended goals plus any supporting information should be included in the application.

Expectations

It is anticipated that award holders will display the potential and motivation to achieve national honours in their age groups and beyond. Award holders will be expected to make significant contribution to Strathallan sport and to show commitment in their specialist sport beyond school term times.

Nature of Assessment Days

These sessions are designed to allow candidates to demonstrate the best of their abilities in a challenging and competitive environment. The day is split into different categories:

- Assessment of fundamental movement and fitness
- Assessment of fundamental skills and abilities
- Assessment of specific sports
- Interview with Director of Sport, Mr Jim Thompson & Heads of Sport

The sports scholarships programme is tailored to individual needs and features...

Specialised coaching and weekly one-to-one Strength and conditioning sessions in our state of the art gym with the School's own strength and conditioning coach. This is all organised to fit around studies.

Additional support from specific sports staff to review goals, aspirations and assessing current performance. Our specialist sports staff will also help achieve a balance between school commitments and sport.

Organised talks and seminars on topics like nutrition, careers in sport and the psychology of sport.

Developed relationships with local clubs, professional clubs, constituent bodies and National Governing Bodies to offer clear pathways for development and excellence for our sports scholars.
